Your Goizueta Business Library has a variety of resources available to Goizueta graduates for lifelong learning and professional development.

ALUMNI
TOOLKIT

Alumni Toolkit – Start here! The toolkit features a variety of Emory library resources and services available to you. Along with resources that Goizueta Business Library has licensed, you may also have access to free public library resources from your local library. All you need is a library card. These business resources may include LinkedIn Learning, eBook platforms such as OverDrive, business journals, nonprofit directories, and more.

DATABASES

Remote Research Databases for Alumni – Thanks in part to class gifts, Goizueta alumni have free remote access to a suite of databases covering articles, news, business books, company lists, career research, finance, industry profiles, and market research.
