## Johnson & Johnson | Overview

**Company Summary**

Johnson & Johnson (J&J) researches, develops, manufactures, and sells pharmaceutical products, medical devices and consumer products. The company provides pharmaceuticals for immune diseases, cancer, neurological disorders, infectious, cardiovascular and metabolic diseases; consumer products in oral care, baby care, beauty, over-the-counter (OTC) pharmaceutical, women's health and wound care categories; and medical devices for use in the cardiovascular, orthopaedic, general surgery and vision care fields. J&J distributes pharmaceutical and medical products to retailers, wholesalers, health care professionals and hospitals; and offers consumer products through retail outlets and distributors. The company offers its products in the US, Europe, Asia-Pacific and Africa; and Western Hemisphere (excluding the US). J&J is headquartered in New Brunswick, New Jersey, the US.

The company reported an increase in revenue of 21% in FY2019. It also reported an increase of 10% in operating profit.

**Operational**

Additionally, category recovery increased demand for cough, cold, flu, and Digestive Health brand such as MODUM.

So across all categories and around the world, continued strong demand for our product.

STELLARA continued to show strength in all regions, growing at 21.7% driven by market growth and share gains of roughly 4 points in Orob's disease and nearly seven points in all sort of colitis in the US. TRONAFLEX was up 65.5% with strong double-digit growth worldwide due to continued positive share growth and additional penetration into the psoriasis arthritis indication.

We're absolutely committed to leading in the future of surgery and making our medical innovation smarter, less invasive, and more personalized.

# Analyse Sectors

- User can browse all sector wise data by clicking on “sectors” at the top navigation bar. All related reports, companies, news , deals can be accessed here relating to a sector. All related content can further be explored by segments.

The screenshot shows the top navigation bar of the GlobalData website. The 'Sectors' menu item is highlighted with a red dashed box. Below the navigation bar, a grid of sector names is displayed, including Aerospace & Defense, Consumer, Industrial Goods & Machinery, Retail & Wholesale, Agriculture & Forestry, Financial Services, Mining, Sport, Automotive, Food Service, Oil & Gas, Technology, Media and Telecom, Business & Consumer Services, Government & Non-Profit Organisations, Packaging, Transportation, Infrastructure & Logistics, Chemicals, Healthcare, Power & Utilities, Travel & Tourism, and Construction. Real Estate is also listed at the bottom of the grid.

The screenshot shows the 'Aerospace & Defence | Overview' page on the GlobalData website. The 'Sectors' menu item in the navigation bar is highlighted with a red dashed box. The page title is 'Aerospace & Defence | Overview'. Below the title, there is a breadcrumb trail: 'All Sectors > Industry > Aerospace & Defence'. A red dashed box highlights the 'Explore' section, which contains a list of sub-sectors: 'Aerospace', 'C4ISR & Electronic Warfare', 'Homeland Security', 'Infrastructure, Logistics & Support', 'Land', 'Maritime', 'Simulation & Training', and 'Soldier Systems ...'. There is also a 'View All' button. Below the 'Explore' section, there is a 'Databases & Analytics' section with a 'Market Analyzer' card. The card includes a bar chart icon and text: 'Explore, analyze and visualize data across multiple dimensions such as sector, category, and geography. A single platform that provides data at the macroeconomic, industry and company level.'

# Analyse Themes

- Get a quick view of all technology and macro-themes impacting an industry. 10 most important themes can be explored further for all related data such as deal, news, companies etc.

## GlobalData Themes

Disruptive innovations over the next five years will be driven by key themes arising from new technologies, macroeconomic shifts, and social trends. Our industry experts have curated the vital news, analysis, and commentary connected to each of the themes below.

# Explore Market Analyzer

- Market Analyzer is a master database that can be used to compare sectors across geographies. All related data can be downloaded in a user friendly format. For more details please refer to our Market Analyzer user guide
- User can view either industry data or macroeconomic data or both as a part of a single search. In Industry data, user will be able to view available measures and respective refinements, organized by the sector of relevance

The screenshot displays the GlobalData Market Analyzer interface. The top navigation bar includes 'GlobalData.' and menu items: 'Companies', 'Sectors', 'Themes', 'Countries', 'Databases', 'Reports', 'News', 'Tools', and 'Services'. The 'Databases' menu is active.

The interface is divided into three main sections:

- Sector Databases (Left Pane):** A list of databases including 'Market Analyzer', 'Company Filing Analytics', 'Social Media Analytics<sup>beta</sup>', 'Deals', 'Job Analytics', 'Theme Evolution Indicator', 'Sector Activity Indicators<sup>beta</sup>', 'Tenders', 'Smart Money Analytics', 'Consumer Data Analytics', 'Product Launch Analytics', 'Global Ads Database', 'Surveys', and 'Healthcare Provider Dashboard'. 'Market Analyzer' is highlighted with a red dashed box.
- Search Type (Middle Pane):** A list of industries including 'Aerospace and Defense', 'Advertising', 'Agriculture & Forestry', 'Apparel', 'Automotive', 'Banking and Payments', 'Business and Consumer Services', 'Chemicals', 'Construction', 'Consumer', 'Environment & Waste Management', 'Foodservice', 'Government and Non-profit organizations', 'Healthcare', 'Industrial Goods and Machinery', 'Medical', 'Mining', 'Oil & Gas', 'Packaging', 'Pharma', 'Power and Utilities', 'Real Estate', 'Retail', 'Technology, Media and Telecom', 'Transportation, Infrastructure and Logistics', and 'Travel and Tourism'. 'Apparel' is selected and highlighted with a green bar. 'Macroeconomic' is also visible at the bottom of this list, highlighted with a red dashed box and a red arrow pointing from a text box below.
- Make Selections (Right Pane):** A configuration area for the search. It includes sections for 'Channel' (with 'Sales Value' and 'Sales Volume' checkboxes), 'Channel' (with 'In-Store' and 'Non-Store Retail' checkboxes), 'Product Category' (with 'Accessories', 'Clothing', and 'Footwear' checkboxes), 'Brand' (with 'Apparel Brand Sales' checkbox), and 'Apparel Brand' (with a search input field). A 'Confirm your Search' section at the top right contains 'Search' and 'Clear' buttons.

# Tools

- *Build your report tool lets the user to create customised reports according to user needs by adding clippings , figures , tables from various databases offered by GlobalData.*
- *Competitive intelligence tool can be used to create watchlist of companies and track , compare , analyse company information.*

## Build your Report

**Your Clipping Library**

View All | Text | Figure

Search Clippings

**Your Clipping Library is empty**  
Please start clipping sections from our [Analysis](#) to build your Report

- Library (all clippings)
- Reports clippings
- Deals clippings
- Companies clippings
- News clippings
- Filings clippings
- Theme Evolution Indicator clippings
- Job Analytics clippings
- Patents clippings
- + Create New Folder

## Competitive Intelligence

The Competitive Intelligence tool enables you to create watchlists of companies to track and compare essential company information such as financials, job analytics and the latest news, reports, deals, sector data and more in one place.

It also provides an option to view your list in a range of different databases, set up alerts and share watchlists with colleagues.

### Manage Watchlists

**Create Watchlist**

**Company Search**  
Search by company name to compare/add companies individually

**Add Companies**

**Upload Watchlist**  
Upload your own list from an Excel file and map against your company listing. (Each of your companies will be automatically mapped to the companies listed in the Intelligence Center. Where there is no automatic match, you will be required to manually map to the closest available company.)

**Upload Company Watchlist**

## Analytics Hub | Signals

# Downloading

- Data across databases can be downloaded by using the export option. Click on export to download the excel file, ppt and pdf version of your data.
