

# Emory University Libraries

The libraries are here to support you during your time at Emory with resources, spaces, tools, and opportunities

## Get Help

- Meet with librarians who have expertise in every area of study here at Emory.
- Get one-on-one help with research projects and assignments

## Get Involved

- Attend special events, exhibits, and programming
- Find a job - the libraries hire a lot of student workers!
- Join our student ambassador group and plan programs

Visit our websites to learn more!

## Use our Spaces

- Discover different spaces to work, study, collaborate, or relax!
- Snag an open spot, book a room, or use a workstation with specialized software

## Find Materials

- Explore thousands of books, databases, movies, and more
- Check out equipment like chargers or calculators
- Find popular fiction and access popular newspapers as well!

## Develop Skills

- Attend workshops to develop research skills. Learn about presentation skills, coding, data literacy, advanced search techniques and more
