

**MPH/MSPH THESIS**  
**Rollins School of Public Health**

## **PREPARING YOUR MANUSCRIPT**

1. **Special Pages:** In addition to the text, your thesis needs to contain a number of special pages. Directions for formatting those pages follow. **You must place these additional pages in this EXACT order:**
  1. Distribution Agreement
  2. Approval Sheet
  3. Abstract Cover Page
  4. Abstract
  5. Cover Page
  6. Acknowledgments (optional)
  7. Table of Contents (including a list of tables and figures, optional)
- These pages should NOT be numbered.** The body of the thesis follows immediately after the Table of Contents, and the first page of the body is page 1.
2. **Signatures:** A number of the special pages have space for signatures. **Do NOT include signatures in the electronic copy of your thesis.** Forms with signatures must be submitted to your Department ADAP.
3. **Style Manual:** When a program does not have specific directions, the general standard is *A Manual for Writers of Term Papers, Theses, and Dissertations* by Kate L. Turabian.
4. **Footnotes:** The RSPH does not have any preference in the placement of footnotes, but they must be consistent throughout the thesis.
5. **Page Numbers:** Page numbers should be in the upper right hand corner. Page numbers are the only items which may fall outside the margin. **Begin numbering on the first page of the BODY of the thesis.** Page numbering must be consistent throughout the thesis (if you start numbering pages in the upper right hand corner you must continue numbering pages in the upper right hand corner throughout the document).
6. **Margins:** All materials (including text, illustrations, graphs, figures, etc.) must be within the margins (left = 1.5", all others = 1"). A thesis cannot be accepted if any of the text falls outside the margins.
7. **Non-printed Sources:** If your thesis refers to items other than books and journals – films, music discs, etc. – then these items should not be mixed into the bibliography, but should be listed in a separate reference section. Consult recent editions of style guides for information about how to refer to such items.
8. **Spacing and Font:** Double spacing is required. Acceptable font size is 11 and 12 for the text (excluding foot notes, abstracts and acknowledgements). Please choose a common font, preferably a serif font (Times, Garamond, Georgia, etc.).

Two of the special pages may be single-spaced: the Distribution Agreement and the Abstract.

9. **Production of Bound Paper Copies:** The library will no longer bind paper copies of theses. A list of available binding services can be found on the ETD website.

## ELECTRONIC SUBMISSION

1. **Generate a PDF:** The electronic version of your thesis should be a PDF file.  
**Create the PDF version of your Thesis using the Adobe Acrobat Professional software** available in ECIT, Cox Hall's Computer Lab or in your individual programs. Do not use a non-Adobe PDF generator (i.e., freeware or shareware); the long term preservation of PDF files produced using these nonstandard products cannot be assured.  
**Do NOT produce the PDF file by scanning pages of printed text.** This creates an "image-only" unsearchable document that the ETD system cannot process. If necessary, you may scan individual pages that contain tables or figures. If you do, make sure they are inserted at the proper place in the PDF file, and that the quality of the scanned images is good.  
Your PDF file **must contain the special pages** (item 2 on page 5 above), **without signatures**.  
If you need help generating a PDF file, please turn to the appropriate IT help staff.
2. **Log in to ETD:** To begin the electronic submission process, go to [etd.library.emory.edu](http://etd.library.emory.edu). At the top of the page there is a log-in area. Log in using your Emory NetID username and password.
3. **Submit Your File:** Once you have logged into the ETD system, a "Submit Your Thesis" link will appear in the upper left hand corner of the page. Click on that link to proceed with the submission process. Detailed instructions on using the ETD submission software are available on the site under Instructions located here: <http://sco.library.emory.edu/etds/instructions.html>
4. You may also upload **additional or supplemental items**, such as-images, datasets, video, or audio clips, and more. More instructions are on the ETD site located here: <http://sco.library.emory.edu/etds/faq.html>
5. **My ETD:** After submitting your thesis, you may continue to refer to "My ETD" to see the progress on the approval. You will receive automated e-mails informing you when your submission (1) has been received by the system; (2) has been approved by the graduate school; and (3) has been published in the repository (or embargoed for later publication).
6. Completion of your thesis submission does not indicate that you have completed all necessary steps for graduation. Confirm your graduation status with your ADAP – use OPUS to make sure you have all required credits etc., and call if you have any questions.

**Help!**

## **CREATING THE SPECIAL PAGES**

The following pages contain instructions for creating the special pages mentioned earlier. Please note that (a) these pages should not be numbered, but (b) must otherwise follow the formatting instructions for the thesis or dissertation manuscript (margins, spacing, font, etc.)

**Each sample page is followed by a page with comments.**

**Please pay close attention to the comments for each special page: they will **help you avoid common errors.****

### Comments

**Degree:** Your degree is either Master of Public Health or Master of Science in Public Health.

**Department:** List your department, such as Behavioral Sciences and Health Education or your interdepartmental program such as Global Environmental Health or Global Epidemiology.

**Committee Chair:** If your committee had co-chairs, refer to each of them as Committee Chair and list them in alphabetical order.

**Committee Members:** List the members in alphabetical order.

**Layout:** Remember that **the page margin rules apply to all pages**, including the special pages like this one. The layout on the previous page will accommodate multiple committee members but with committees of 5 or 6, you may use a two-column layout for the committee members.

If you have questions about any of these items, contact your ADAP.
