Searching Across all the Content

Click **Analysis** to access the search template

Make sure that the template looks like this: you may need to “remove” some defaults.

NOTE: **Exact Word Only** - recommend unchecking this option to maximize results

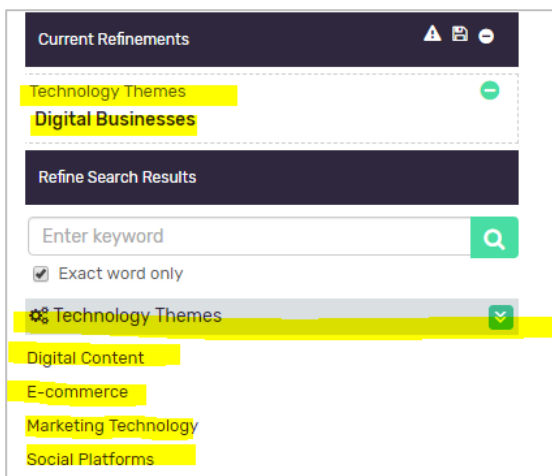

Technology Themes

Note: If you click a specific Technology Theme, click on the Technology Themes link again to view refined sub-themes that align with your selection

For example, selecting the Digital Businesses Technology Theme yields related sub-themes, Digital Content, E-Commerce, etc. Clicking a sub-theme further narrows your scope.

Vertical Themes

Like the Technology Themes, clicking on a specific Vertical Industry also yields related sub-themes
